Focus narrowed on county options

by Andrew Milne

Councillors and administrators of governments across the county met last week to discuss plans for local government restructuring.

The February 14 meeting was held to narrow down a list of options for county restructuring.

Delegates to the meeting reduced a list of possibilities to primarily two options — the amalgamation of a number of the lower tier governments (townships and amalgamated townships), and the wholesale elimination of the lower-tier governments, leaving only a county government.

Delegates also expressed a wish that the possibilities be explored for amalgamation and sharing of services with neighbouring jurisdictions. And they emphasized concern that any initiatives to restructure be assessed critically against the option of leaving the structure of government as is and seeking cost-saving measures elsewhere, such as through the sharing of services.

Local government restructuring is largely driven by recent cuts to transfer payments from the province of Ontario. The cuts are expected to make some jurisdictions — especially the smaller ones — unviable, and to result in financial stress throughout local government.

The province announced November 29 that core transfer payments to the

municipalities would be reduced by 47 percent. The provincial government says the cuts, as an average figure, represent around two percent of current municipal spending.

Locally, the cuts vary from just under two percent of expenditures upwards to six percent.

A second set of cuts, of similar magnitude, are anticipated in the next fiscal year.

Not all present at the meeting were entirely comfortable with the process.

Rick Forget, a Monmouth councillor, expressed concern that the process was moving too quickly, and that the councillors present had not been adequately prepared to make such far-reaching decisions. Nor, he said, did the structured, scripted meeting format give them much time to think about it.

Said Forget, "We're given 20 minutes to discuss this, we're to make the decision, and then okay, we move along. I feel that this whole process is just going too fast."

Ann Barker of Stanhope expressed similar concerns. "It was my impression," she said, "that we were coming here to be brought up to speed on what you were doing — not to go over all of this."

Ross Rabjohn, Sherborne et al reeve and former county warden, responded that the process is still really only in its

The spirit of love was in the air Wednesday at Archie Stouffer Elementary School as the staff and students marked Valentine's Day. Teaching assistant Sue Payne, inset, was a hit as the Queen of Hearts. Students Cheryl Ripley, left and Brock Thomas, model their heart-felt costumes for the Valentine's Day Ball.

Student's survey examines health services restructuring

Residents of Haliburton County and area are being asked to participate in a survey about the restructuring of health services.

The investigation into the changes is being undertaken by second year medical student Shane Burch. The former Haliburton County resident is studying medicine at University of Toronto. One of his courses is entitled Health and Illness in the Community.

"In addition to our classroom study, we are required to get out into the community to examine health and wellness," Burch explained. A portion of the course is designed to provide the medical students with an understanding of the determinants of health in the community.

Burch has an interest in rural and emergency medicine and so the restructuring currently underway in Haliburton County provided a model for him to study. The survey is designed to provide him with an understanding of the

community's perceptions of the services available through the local hospitals and how they might change if the services are reduced or closed.

"Participants in the survey should be aware that there are no 'right' or 'wrong' answers to the questions," Burch stated. "My purpose is to determine people's perceptions of the current situation and how they feel about the future."

The Times and the Haliburton County Echo have agreed to participate in the survey by printing the questionnaire. In return, Burch will report back to our readers on his findings. A copy of the survey can be found on pages 17 and 18 of this week's newspaper. Please complete the survey, tear the page out of the paper and bring it to The Times office, 134 Main Street, Minden or mail it to Box 97, Minden, Ontario K0M 1S0. Surveys will also be accepted at the Haliburton County Echo office on York Street in Haliburton.

Way seems clear for board to take over Hyland Crest

by Andrew Milne

Concerns at county council level over the takeover, by the health board, of Hyland Crest long term care facility, are probably unfounded, according to the board's lawyers.

The Haliburton Highlands Health Board is expected to take over operation of the facility sometime within the next year or two.

Hyland Crest is currently administered by the county.

It recently came to light that it was one of the conditions in the formation of the county government that the county maintain a 'home for the aged' such as Hyland Crest.

County councillors expressed the concern that, should the home no longer be administered by the county, the county would, according to the legislation, stand to lose its charter.

The legal opinion the board got, however, was that although the legisla-

tion itself would be difficult and time consuming to change, there should be legal arrangements that could be made that would get around the problem.

Said executive director Foster Loucks, "It seems to me that if we let the lawyers at it, they should be able to work something out."

Former county warden Ross
(more on page 2)

Community card for Tim Heming

Everyone is invited to send best wishes to Tim Heming the former resident of Minden who has been named an Ontario Junior Citizen of the Year. The young man will be undergoing serious surgery next week and so neighbour Sheri Hawkins has suggested the community send our best wishes to him. See page 7 for details.

A friend in need

Children who find themselves at the Women's Emergency Shelter in Haliburton will find some special friends waiting for them thanks to the Rotary Club of Minden. The club has donated teddy bears to the centre to provide a little extra comfort for the kids caught in a stressful situation. Rotarian Nora Snyder, right, presented shelter co-ordinator Sheila Whiting with a number of teddy bears last week.

Pair charged after home robbed

Two suspects have been apprehended by Minden OPP after a home invasion and robbery at Carnarvon on February 14. Two males, one adult and one young offender entered an apartment at about 1 a.m. and assaulted the occupants and uttered death threats.

A number of items were stolen and some property was damaged.

Darryl Huisman, 20, of Lutterworth Township has been charged with robbery, possession of stolen goods and two counts of uttering death threats. A young offender has been charged with robbery and two counts of uttering death threats.

Correction

In the report, in last week's edition, of the fire at Maple Lake Store, it was stated that the owner had seen sparks coming from an electrical fixture. The owner in fact did not see sparks emanating from a fixture.

Hyland Crest

(from page one)

Rabjohn, present as an observer at the meeting, said he didn't see what difficulty there would be with the county contracting with the HHHB for the provision of the service.

"We contract lots of things out," said Rabjohn. "I don't see why it should be a problem."

The board, to be formally incorporated later this year, will have a broad mandate to administer health care throughout the region. On the institutional side, it is expected to acquire and run the Haliburton and Minden hospitals, and the Hyland Crest facility.

\$23,000 raised for Easter Seals by the Pink Flamingos et al

Women on Snow weekend tops pledge target

by Andrew Milne

This year's Women on Snow ride for Easter Seals raised more than \$23,000 in total pledges.

Haliburton chapter president Marj Kennedy made the announcement Sunday, February 18.

"I'm absolutely thrilled. I'm overwhelmed. It's more than I expected. I'm very proud that we did so well," said Kennedy.

This year's was the second annual ride for the Haliburton chapter.

The organization got its start in the mid 80's, in Eagle River, Wisconsin. After five years, the organizers there decided it was time for a change of venue, and a group from Sudbury took over the event in 1991.

Sudbury turned it over to the Haliburton chapter last year. Haliburton will host one more ride, next year, before the event moves on. Organizers explain the idea is to change the location, keep it interesting, and keep the local committees that organize the event fresh.

More than 200 women from across Ontario, Quebec and the northern US took part in the ride, which raised money for the Easter Seals, a charity that supports children with disabilities and their families.

Last year, the Haliburton ride raised \$14,500 in pledges. This year, they took on a challenge from the Haliburton Rotary Club, to beat that organization's \$16,000 raised during Snowarama ride several weeks ago. Meeting that challenge doesn't seem to have been a problem.

The event is more than a fund-raising drive for the women who participate, says Kennedy. It's also a chance to get out and do something on their own, to learn about their sport and get away for a while.

Sharon Riker from Ottawa is particularly enthusiastic about that aspect of the event.

Riker until recently, worked in the high tech industry and contracts management.

Says Riker, "I just changed professions. I'm now a truck driver. I haul explosives. I would never have had the nerve to learn to drive and actually do this if it hadn't been for Women on Snow. I came and I found out I could do things. And I didn't have to have my husband or my brother or my father do it for me."

"It was a great thing for me... I mean I was always independent, but not doing the physical stuff."

She says she loves the independence of her new job.

Says Riker, "I just pulled the truck onto a flatcar — and went 27 miles on the train north of Lac St. Pierre to unload a tanker of explosives — with guys that spoke absolutely no English. And I don't speak any French."

She first got involved in 1991, after seeing the event advertised in *Ontario Snowmobiler* magazine.

"I wanted to go the first year," she says. "But I couldn't get anyone to go with me. They all said oh, you can't go up there all alone, to Sudbury, like it was the end of the world. But the next year I said okay, I'm going. And even with car problems, and weather problems, and everything, it was the best decision I ever made."

Riker had nothing but praise for the conditions in the Highlands this past weekend.

"The trails were gorgeous," she says. "Absolutely gorgeous. Just beautiful. The trails here are as good as any place I've ever been. And I've snowmobiled in Quebec, I've snowmobiled in Old Forge, New York and different places. This year we've really lucked out with the snow and with the weather. The weather was

Sharon Riker, of Ottawa: "The best decision I ever made." Now she is hauling explosives.

just beautiful."

Eleanor Butler is just as happy with the trails. She came here from her home in Manitowish Waters, Wisconsin.

By snowmobile.

She laughs. "It was one long night," she says.

The trip took her and daughter Deborah Priebe 17 hours. And Saturday, they and their group, the Pink Flamingos ("We're the fastest," says Butler), completed a 202 mile (approx. 320 km) pledge ride.

And why does she come all this way?

"To see us!" yells Darlene Tucker, another of the Flamingos, sitting across the table.

Butler first got involved with the organization when it started in Wisconsin. She's ridden every year since, following the event to Sudbury, and then here.

"We enjoy it," says Tucker, "Everyone's friendly. We enjoy the trails. You make friends and it's nice to see them every year."

Eleanor Butler, of Manitowish Waters, Wisconsin, and daughter Deborah Priebe, left: A seventeen hour ride for the Pink Flamingos.

Ambulance personnel prepare Ruth Brown, of Stanhope Township, for transport to the Minden Hospital following a collision north of the community Thursday.

Couple injured in vehicle roll-over

A Stanhope man and his passenger suffered injuries when they collided with another vehicle, left the road and rolled, just north of Minden Thursday.

Richard Cummings, of Hall's Lake and Ruth Brown, a fellow traveller, were taken to hospital.

Brown's injuries were not life-threatening, but were serious enough that she had to be transferred out of Minden. Cummings suffered a minor head injury.

Doug Anderson, of Minden, who was driving the other vehicle, was not injured, nor was his passenger.

The incident occurred at the junction of Highway 35 and the Scotch Line Road.

The OPP report both vehicles were northbound on Highway 35 at the time. Anderson, who was in the lead vehicle, slowed to turn left. Cummings' vehicle overtook and collided with Anderson's vehicle at this point.

Cummings' vehicle then slid off the east side of the road and rolled. It landed on its roof against the trees, some distance back from the road, just north of the intersection.

Cummings has been charged with failing to yield. Ben Manuge of the Minden detachment is the investigating officer.

Clarification

The article in the February 12, 1996 edition of The Times regarding extended hours at the Minden Hospital mentioned one patient (a 33 year old male) was treated for a drug over-dose. One of the emergency calls which prompted the extended hours involved a patient who was treated for an adverse reaction to medication, not a drug over-dose.

MAISON D'OR OF THE
GOLDEN RULE

Councillors grapple with restructuring

(from page one)

beginning stages, and that the county fully intended and intends to bring the councils in early and keep them involved.

Rabjohn said the process really only started with the resignation of former clerk-treasurer Terry Noble last year. The county then brought in the Ministry of Municipal Affairs (MMA) to consult on his replacement, and the questions asked about what vision the council had for the future led to discussions about restructuring. That process began formally with the 'visioning' session in December 1995.

Bob Maddocks, one of the moderators from the MMA said that this meeting is intended to prioritize the options for restructuring, to limit resources spent exploring any that are obviously unworkable.

The main point on which delegates seemed to have strong differences was the strength of the one-tier option versus amalgamating some of the lower-tier governments into larger groups.

County councillors considering the question have listed the advantages of the single-tier government as (1) its simpler, more direct focus on stronger government and (2) less overhead, fewer management personnel, and less duplication of services. Disadvantages are

Former warden Ross Rabjohn (standing) serves as moderator for one of the round table discussion groups which considered the county restructuring options.

listed as (1) the complexity of labour negotiations in setting up such a structure, and (2) the potential for the loss of local identity, particularly in smaller, currently independently governed communities.

The one-tier option at first seemed to have few supporters. Delegates had been split into six working groups, which considered each question independently and functioned roughly by consensus. Towards the end of the meeting, half of the groups had reported and none seemed willing to speak of the one-tier option as viable. Amalgamating some of the lower tiers, and looking for additional savings with various cooperative ventures were the favourite options.

The last two groups, however, spoke for the one tier option as well, as did dissenting members from some of the other groups.

George Simmons of Snowdon township, whose group did not support one-tier, also spoke in support of it.

"Everyone's ignoring the efficiencies it offers," he said. "I honestly believe one tier is the way to go... You have local representation. How much more representation do you want?"

"If we had gone with one-tier in 1978, we'd be a lot stronger today," said Simmons later.

Options effectively discarded during the meeting were (1) amalgamating some of the lower tiers while eliminating the upper tier (county government) altogether, and (2) leaving the lower tiers as they currently are while eliminating the upper tier. Both of these would carve several independent jurisdictions out of Haliburton County. No groups nor delegates openly spoke favourably of either option.

Councillors also asked the MMA representatives whether the provincial government could be expected to enforce amalgamation if the local governments were not themselves interested.

The answer, said Brian Benn of the MMA, is essentially no, but the cuts are coming, with or without amalgamation, and the local governments are going to have to respond to that pressure.

Concluding the meeting, reeve Murray Fearrey of Dysart, also county warden, urged the delegates to consider the question seriously, but to move forward with whatever business needs to be done. "Whatever we do," said Fearrey, "it has to be in place in time for the next election. Keep that in mind."

In concert with restructuring, county council has also assembled working groups planning actions related to:

- formulating a strategic plan for the county, leading towards the formulation of a county official plan;
- arranging a more coordinated approach to road maintenance throughout the county;
- changing budgeting standards throughout local governments to go to a common 'zero-base' standard budgeting procedure; and
- dealing with council concerns over their future role in health care in the county.

Support for restructuring effort is not unanimous

by Andrew Milne

Not everyone involved with the restructuring process is entirely happy with the way it's going.

Bill Valentine would probably consider that an understatement.

The Lutterworth councillor, and onetime reeve, feels the route local government is taking will not serve his township very well.

Says Valentine, "I've been talking with Mike [Wahlroth], one of the new Lutterworth councillors. He suggested that the Ministry of Municipal Affairs is leading the county into this process, 'like lambs to the slaughter'.

Valentine says he believes the reason Haliburton county is facing restructuring is that the provincial government needs someone to hold up to other jurisdictions. Says Valentine, "They want Haliburton restructured so Queen's Park can say well look at Haliburton — great, wonderful, marvellous, now you guys do the same."

Valentine seems to be most critical of the one tier option. One of his principal concerns, he says, is that he doesn't feel the county government has been as fiscally responsible as some smaller governments.

Says Valentine, "We've managed so carefully over the years. We have reserves. We haven't had an increase in our own Lutterworth taxes for three or four years now. The county has demanded 17 percent, and I think one year they demanded 34 percent, and the school board would tell us we want seven or we want 12, and we can't do anything about it... It means our

good management is going to go right down the tubes. Right now our equipment is — all of it — nearly new, because we've got really good people, and we've budgeted and taken advantage of infrastructure and all the things that were available. And it's just going to be tossed into the pot for people that were prodigal."

"What's going to happen is the people who've been really careful and good managers, they're going to get screwed, just pure and simple."

Valentine was less critical of the option of amalgamating some of the lower tier governments, "if it's done logically." He suggests an amalgamation of Lutterworth, Snowdon, and Anson, Hindon and Minden might make sense.

However, the option he favours himself was not on the agenda.

Says Valentine, "Mike [Wahlroth] and I, we're going to draw up our own brief. We figure if you just eliminate the county road system, just eliminate it completely, that would make sense. Because in some places, Mike figures, there's triplicate — there's our machinery, county machinery and provincial machinery going over the same road."

Valentine says he's taken some criticism from other councillors and reeves over his stand. "Apparently I'm out of the will," he says.

(Former Glamorgan councillor and candidate for reeve in the last municipal election, Lorrie Saville, also has some reservations about the restructuring process. Her comments are contained in an open letter to councillors on page 7)

Editorial

A good start

Elected officials from throughout Haliburton County have taken the first tentative steps toward a radically new form of municipal government. While the need for change has been talked about for a number of years, last week the councillors had their first real opportunity to look at the options and express their feelings.

Judging by the response at the end of last Tuesday night's meeting, the vast majority are pleased the process is moving forward. Most also appear to agree that some form of change is necessary and it is better coming from the citizens of the community than to have it forced upon them by the provincial government or the harsh reality of economics.

In paring the options to two, a single tier or an amalgamation of existing municipalities in fewer, large units with the continuation of the upper tier county government, the councillors and clerks have brought the issue into sharp focus. This will allow the politicians and the public to concentrate on the benefits and drawbacks of each. (The option of including municipalities currently outside of Haliburton County in this new configuration has also been left on the table, and wisely so. Clearly we must decide amongst ourselves, which option we choose before inviting our neighbours to join us.)

Having found a consensus on the need for reform, with the support of the citizens, the councillors can now move forward on this important enterprise. We wish them well in their deliberations.

One other interesting observation from last Tuesday's meeting was the fact that many elected officials were meeting their counterparts for the first time. Most of the reeves and deputy reeves, by virtue of their membership on county council, have sat down at the same table in the past year or more, but it is rare for the councillors to find themselves with their peers from other regions of the county. Haliburton County is a vast piece of real estate in which distances divide more than unite. Hopefully this first contact will not be the last but will lead to more meetings and communication.

Rebate rebuttals

Editor:

Is it appropriate to tax nature?

Last week you published an article without anyone doing the right research. Your title was wrong, the body of the copy proved your error. Your example of Haliburton Forest and Wildlife, within the article was inappropriate. The issue is *sustainable stewardship of forest lands*.

Your headline, emphasizing *for owners of large land holdings* is wrong. The article opens with talking about managed forests and you quote Chris Hodgson, Minister of Natural Resources, talking about private forest lands. The article mentions the rebate level and identifies that there is a maximum. If someone had done his homework, it would be apparent that there are large land owners who still don't have fair taxation for their forest lands. The Managed Forest Tax Rebate Program (MFTRP) is *for owners of forest land holdings*.

If someone had taken the time to ask the Haliburton Forest and Wildlife Reserve to what extent they will benefit, the report would indicate that they, as a large land holding would receive minimal compensation. There are private forest owners who will benefit. A little homework and you could have talked about someone who will benefit.

The previous NDP government felt it was appropriate to tax nature. The current government disagrees. They also see that the long-term wellbeing of communities is connected to the health and wellbeing of the forests. Research will confirm the connection.

A badly researched article leads to a bad editorial. In the land of free speech, wrong opinions are allowed. Ironical what we must put up with. One can only chuckle.

Godfrey Tyler,
Haliburton.

Editor:

Your piece entitled "Conservatives reinstate tax rebate for owners of large land holdings" (February 12), represents writing which does not deserve to be called journalism.

Lacking any research, its writer is mixing wrong facts, half truths and misconceptions with information out of context. Presenting the public with a piece as divisive and misinforming as this does not serve the mandate of a community newspaper.

Peter Schleifenbaum,
Haliburton Forest and Wildlife Reserve Ltd.

Opinion

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy.

All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

Restructuring information should be available to all

The following is an open letter addressed to elected officials throughout Haliburton County from Glamorgan resident Lorrie Saville.

Dear Council Members:

I left the February 13 'County of Haliburton Restructuring Options' sessions with some concerns.

First, I would like to suggest, at public meetings, copies of the information being discussed be given to all in attendance and not just to the delegates. Ratified or not, the information was public and it was a public meeting. Those in attendance needed to have the reference material in order to understand what was taking place. I believe that the public will understand and accept change easier if they are given the same information as the delegates.

Secondly, during the meeting it became clear that several municipal councils had not had a meeting to discuss, among themselves, the subject of the evening. I feel that all members of council should discuss and make decisions together, particularly one with such far reaching consequences. It appears to me that some of the reeves want to keep this information to themselves.

It should be remembered that the ratepayers of the county voted for more than one person to manage their township. Many questions needed to be answered concerning this important subject and all of our elected officials must be actively involved.

Timely public meetings are also necessary. All ratepayers must be

given an opportunity to participate. This restructuring process should not be rushed or bulldozed through. Everyone should have an opportunity to understand why it is happening; what is happening; when it will happen and how it will affect them.

I am requesting that we, the ratepayers, be invited to the meetings during the summer months when the majority of ratepayers would have an opportunity to attend.

This is probably the most important decision that will ever be made by our

county council and all ratepayers must be given an opportunity to express their opinions in person or by mail.

It seems that most participants determined that option two or three, with the possibility of integrating neighbouring municipalities should be more fully investigated.

I hope our elected officials realize we can no longer afford the status quo. Change must happen!

I personally favour option two, one tier government with the ward system. Individual township identity need not be

lost since the wards could be named after the former townships. I feel that option three should be investigated further since it could also work.

I would like to congratulate Brian Benn and Bob Maddocks from the Ministry of Municipal Affairs for the way they conducted this meeting.

Hoping that the continuing process will be open and productive for all.

Lorrie Saville,
Glamorgan ratepayer.

Community campaign will send best wishes to Tim Heming

Minden's Junior Citizen of the Year, Tim Heming will be returning to the hospital at the end of the month for another round of surgery.

The 11 year old has captured the hearts of residents throughout the area. Born with Spina Bifida and suffering through a series of complications and operations, Tim has risen above his infirmities to inspire everyone with whom he has come in contact. Tim will undergo spinal reconstructive surgery on February 28.

It is his indomitable spirit, zest for life and his bouncy sense of humour in the face of overwhelming challenges that prompted neigh-

bour Sheri Hawkins to nominate Tim for the honour of Junior Citizen of the Year. The award is sponsored by the community newspapers of the province and Bell Canada. In December, the selection committee announced that Tim was one of twelve young people from across the province to receive the honour. The presentation of the award will be made March 29 in Toronto.

Nominator Sheri Hawkins has suggested that this would be a good time to let Tim know that people in the community are thinking about him. To that end, a best wishes card campaign has been started.

Local artist Mary Wallace has agreed to design the cover of the card

while Sue Payne, one of the teaching assistants who worked with Tim, will co-ordinate the collection of signatures at Archie Stouffer Elementary School.

Members of the public are also welcome to send their best wishes. Bristol board sized cards will be available for signature at The Times office and the Minden IDA. Individuals wishing to sign the community card can do so at these two locations until Friday, February 23. Those wishing to send a personal note can address it to: Tim Heming, c/o Box 97, Minden, Ontario K0M 2K0.

The best wishes will be delivered to Tim on February 26.

The students have spoken

Sometimes--not often, but sometimes-- I get weary of the sybaritic and dissolute life of a newspaper hack. That's when I fantasize about how things might have turned out if I'd opted for an honest line of work.

I could have been a teacher, for instance. There's something intrinsically noble about the idea of imparting knowledge and wisdom into the craniums of future Leaders of This Great Nation.

Not to mention having the summers off and that plush pension plan.

Of course there is a downside to the profession of teaching.

Students. You have to put up with the students. But even that could be okay--providing you remember to laugh instead of cry. Consider for example, these answers submitted by various students writing test papers and essays in science.

- H2O is hot water, and CO2 is cold water.
- Water is composed of two gins, Oxygen and Hydrogin. Oxygen is pure gin.
- Hydrogin is gin and water.
- The moon is a planet just like the earth, only deader.

You've got to wonder about these kids' grasp of biology too. Here are some verbatim results from a health exam.

- Three kinds of blood vessels are arteries, vanes and caterpillars.

- Respiration is composed of two acts, first inspiration and then expectoration.
- When you breath, you inspire. When you do

Black'n White

by Arthur Black

- not breath, you expire.
- Blood flows up one leg and down the other.
- Artificial insemination is when the farmer does it to the cow instead of the bull.

And finally, my all time favourite:

• The body consists of three parts--the brainium, the borax and the abominable cavity. The brainium contains the brain, the borax contains the heart and lungs, and the abominable cavity contains the bowls, of which there are five--a, e, i, o, and u.

What happens to these kids when they grow up? Well, maybe they become doctors. A British linguist by the name of Richard Lederer has been going bloodshot in the eyes collecting medical malapropisms from hospital reports.

Some of his findings:

- Sister Anna Maria is a Catholic nun who is currently between missionaries.
- Patient has chest pains if she lies on her left

side for over a year.

- The patient is a 71 year old female who fractured her little finger while beating up a cake.
- Patient was seen by another doctor who felt we should sit tight on the abdomen.
- The patient states there is a burning pain in his groin, which goes to his feet.
- Patient was released to outpatients with out dressing.
- She slipped on the ice and apparently her legs went in separate directions in December.
- After his release from coronary care a doctor worked him over.
- The patient was found to have 12 children by her doctor.
- The patient will need disposition, there fore we will get a doctor to dispose of him.
- Physician has been following the patient's breast for six years.

Are all doctors this....well, illiterate?

No, of course not. Take my doctor. Now there is a guy who wouldn't dangle a gerund or mis-modify an intransitive verb if your life depended on it.

I think.

Actually his hand writing is so illegible I can't tell if he is scribbling in English or Cantonese.

Home Support pleased with LTC reform

Haliburton County Home Support Services has endorsed the reforms to the long-term care system announced recently by the provincial government. In a press release, executive director Donna Pacey noted that the changes acknowledge the needs of the clients and the importance of the volunteers.

"We are reassured that the government will continue to provide direct

funding for the community support services which we provide," Pacey said. The agency, which serves Haliburton County, Dorset and Kinmount, co-ordinates such programs as meal on wheels, transportation, and recreational activities, among others for seniors over 55 and for the physically challenged over 18.

The agency operates with a staff of five, 187 volunteers and has a cur-

rent client count of 667.

"We are pleased that given the hospital restructuring initiatives, which have placed greater demands on the under-funded community-based services, including Home Support, the government's reinvestment strategy should see more dollars in the community-based sector," Pacey said.

She also noted that the new 43 Community Care Access Sites streamlines

the 74 Home Care and Placement Coordination Programs and will provide easier access to needed services such as nursing care, community supports, homemakers and long-term care facilities.

"We look forward to continuing to work with the government and other service providers. We are committed to continuing to provide quality services in a cost-effective method," she concluded.

Junior bowlers rolling up a storm

The Four Steps to Stardom zone finals will be played March 2 and 3. Various divisions will be played in Lakefield, Peterborough, Lindsay, Fenelon Falls and Minden. Several local bowlers will represent County Bowling Centre in Minden.

Matt Reinwald will go to Lakefield March 2 to compete in the bantam boys singles event.

The bantam boys team of Brad Mickle, Dennis Cox, Greg Harrison, Ryan Clarke and Alan Clement will compete in Peterborough on March 3.

Kelly Berry will be going to Lakefield on March 2 to participate in the bantam girls singles division. Kelly is coached by Jim Mickle.

The junior boys team, coached by Fred Cox, is going to Lindsay March 3. The team includes Adam Payne, Dru Adamson, Matt Mickle, Trevor Clement and Andrew English.

Jennifer Moore is off to Fenelon Falls March 2 for the junior girls singles competition. She is coached by Kelly Moore.

Jeremy Pearce and Amanda Payne will compete in Minden March 2 in the senior boys and senior girls (respectively) divisions. Debbie Cox coaches the senior bowlers.

High scores

(for the week ending February 10)

Vanessa Burk led the peewee division with a single of 79. She and Robert Cox tied with a triple score of 140.

The bantam division saw Greg Harrison roll a 177 single and a 456 triple.

Adam Payne rolled a 287 single to lead the junior division. He also had the high triple of 621.

The high single of the senior division was a 193, by Jeremy Upton. Amanda Payne had the high triple of 490.

OMHA Bantams eliminate Woodville in three straight

by Jerry Grozelle

Playing just well enough to win, the Minden OMHA bantams eliminated Woodville in the third game of the best-of-five series last Tuesday in Minden. If the Monarchs thought the third game was going to be a piece of cake, they were mistaken. The Woodville team had no intention of giving up without a fight after losing the first two games by 6-0 and 5-1 margins.

The Monarchs had to buckle down to earn the 2-1 win Tuesday night.

Neither team was able to make its mark in the first period and it ended in a scoreless draw.

Minden got on the scoreboard first with a goal at the 4:10 mark of the middle frame. Nick Kulas one-timed a pass from behind the Woodville net into the mesh from the slot. Ryan Anderson and Chris Kerr assisted. That was the only goal of the second period.

Woodville rebounded early in the third, tying the game before the period was a minute old.

The score remained tied at 1-1 until Kerr fought off two Woodville defenders in the faceoff circle to the left of the Woodville goalie. He kept control of the puck, wheeled and in one motion, fired the shot right along the ice and into the net. Wayne Kernohan picked up an assist on that goal, which proved to be the game winner.

The Monarchs hung on to that one goal margin for almost seven minutes to preserve the win.

With Woodville behind them, the Monarchs await the outcome of the Ops-Manvers series. As of Friday night, Ops was leading the series two games to one,

with a game in Manvers Sunday. If the Ops boys won the game yesterday, they will meet Minden in the next round. If

Manvers won, the two teams will play one more game to decide who will tangle with the Monarchs.

Either way, it looks like the Monarchs will not see action again until this weekend.

MOVIN' ON: The Minden OMHA bantams will be movin' on to the next round after ousting Woodville in the first round of playoffs. The Monarchs edged Woodville 2-1 last Tuesday night in Minden for their third win of the series. Minden goalie Ashley Walker makes a key save here on a Woodville attacker. Nick Kulas scored the first goal of the game and Chris Kerr notched the winner.

Redmen down 1-0 in hockey quarter-finals

Lack of ice time is not something the Haliburton Highlands Secondary School Redmen hockey team could complain about early last week. In three days, they played four games.

The last game of the regular season was February 12 against the Crestwood Mustangs in Peterborough.

A win over the Mustangs would have put the Redmen in seventh place in the league standings. That would have pitted the Redmen against the second place team.

But the Redmen skated to a 3-3 tie against the Mustangs, putting them in eighth place. With the eighth place finish, the Haliburton team had to play a round robin tournament with the ninth place Kenner Rams and St. Paul's of Trenton, the Quinte representative.

The results of that round robin, held Tuesday at the Kinsmen Arena in Peterborough, saw St. Paul's beat Kenner, while Haliburton beat both Kenner and the Trenton team. That gave the Redmen eighth place and a berth in the playoffs against the first place Thomas A Stewart Griffins from Peterborough.

Monday's game against Crestwood saw the Redmen fall behind twice before rebounding with two in a row to take a 3-2 lead. But the Mustangs scored the equalizer with 54 seconds left in the game.

Bill Dovell scored two of Haliburton's three goals and Dennis Woods notched the third. Woods assisted on both of Dovell's goals and Dovell helped set up the Woods goal. Chris Nielsen and Curtis Bain each picked up an assist as well.

The first game of the round robin was at 11:30 Tuesday morning. The Redmen had a hard time staying ahead of the Rams. Each time the Haliburton team took the lead, the Rams tied it up again. With the third period winding down, the score was tied at 3-3. Jeff Wray broke the deadlock with the game winner. Matt Galbraith and Mark Hughes assisted. That was Wray's second marker of the game. He opened the scoring in the first period, from Galbraith. Dovell and Bain were the other Haliburton sharpshooters. Wray assisted on both of their goals, while Tim Stouffer and Josh Burk helped out with one each.

The game against St. Paul's started at 2 p.m. the same afternoon. The final score of that game was 2-1 in favour of the Redmen.

Josh Burk scored both goals for Haliburton; one in the first period and the other in the second. Trenton evened the score at 1-1 before Burk netted his second marker. Matt Buck and Stouffer set up the first goal, while Nielsen and Wray assisted on the game winner.

The next day (Wednesday), the Redmen played their first game of the best-of-three quarter-finals against TAS.

The Redmen kept pace with the Griffins throughout the first two periods. They battled back from 2-0 and 3-2 deficits to end the second period in a 3-3 tie.

TAS outdistanced the Haliburton team in the third, scoring three unanswered goals to grab a 6-3 win. The last TAS goal was into the empty net.

Josh Burk netted two of the Haliburton goals and Jeff Wray scored the other one. Stouffer, Andrew McKelvey, Woods and Wray each earned one assist.

The next game of the quarter-final series will be tomorrow (Tuesday) in Haliburton at 7 p.m.

HHSS Nordic skiers earn gold at COSSA championships

by Bruce Griffith

Twenty-three of Haliburton High's finest winter athletes skied their hearts out to bring home the gold on Wednesday, February 14.

On a beautiful Valentine's Day, with near perfect conditions, our team dominated the events with eight schools competing.

Winning medals for their spectacular performances in the individual events were: Stephanie Ratz, first; Brock Ladurantaye, first; Ainsley Heyes, first; Regan Brown, second; and B.J. Cummings, second.

Ribbon winners were: Amy Ellis, fifth; Amy Wood, fifth; and Amanda Duncombe, sixth.

In the team events, which include results from the individual races, combined with the results from the relay races, HHSS had its best results in the history of Nordic skiing.

The junior girls team came first overall. The team includes Ainsley Heyes, Amy Ellis, Amy Wood, Allison Kennedy, Caitlin Pettet, Brandi Hewson and Kristen Schakelaar. Placing second after the individual events, Ainsley, Amy and Amy had a spectacular relay to take over first place.

The junior boys also finished first overall, with a huge lead going into the relay event. The junior boys team included BJ Cummings, Ryan O'Neal, Danny Wright, Keven Hurley and John Craig.

The senior girls team, with only three members, was short one girl to qualify for the relay event.

In a very competitive field, Amanda Duncombe had a great race as a first year senior. Jennifer Turner with an OFSAA qualifying race and Rachel Levis each had a personal best at COSSA.

The senior boys team, although not winning any ribbons in the individual event, placed second overall in an extremely competitive and brutal 10 kilometre race. The senior boys team includes Simon Reid, Ryan Ellis, Jeff Wright, Matt Heffer and Wild Will Wallace (the camel).

With such great results, it is no surprise that this year we will be sending the largest team ever (17 athletes) to the Ontario championships in North Bay. The coaches consider themselves to be very lucky to be able to have such a large and successful team. Being able to ski right out the front door of the school and having athletes who are committed to their sport makes the right combination for a winning team.

Strong effort goes unrewarded**Novice OMHA Monarchs shaded 3-2 by Woodville**

by Jerry Grozelle

If hustle and hard work counted in a hockey game, the outcome of the novice game in Minden last Tuesday evening might have been different. The Minden OMHA Monarchs outthrust Woodville in the fourth game of the best-of-five series, but the visitors managed to edge their hosts 3-2 where it counts -- on the scoreboard.

Woodville led the series two games to one going into last week's game and the third win ended the season for the Monarchs.

The two teams battled to a scoreless draw through the first period. Woodville got on the board first, at the 1:32 mark of the middle frame, when the puck was jammed between the post and Minden netminder Ryan Cole.

With 38 seconds left in the period, Justin Horsley took a pass from behind the Woodville net and he fired it home

from the slot. Kolt Smith and Jeremy Upton assisted.

Woodville came out flying again in the third. Twenty-two seconds after the opening faceoff, a rebound was banged into the Minden net and the visitors were in front 2-1.

The Monarchs got back on even terms with 3:04 left when Mark Fisher's shot from 15 feet out to beat the Woodville goalie. Evan Kernohan and Smith assisted on the equalizer.

Less than a minute later, Woodville got a two-man break. The attackers made no mistake and although Cole got a piece of the puck, it got over the line.

Minden kept the opposition bottled up in its own end for much of the remaining two minutes and 20 seconds, but the Monarchs were unable to get any more past the hot Woodville goaltender.

Minden coach Gary Smith pulled Cole for an extra attacker in the dying seconds without any success.

SEASON ENDS: The members of the Minden OMHA novice team will be entertaining thoughts of baseball after bowing to Woodville in the fourth game of the best-of-five series last Tuesday evening. The Woodville goalie had a close call on this shot, getting a piece of the puck and turning it aside.

Westside only undefeated team after second week of playoffs

by Jerry Grozelle

Westside Jug City leads the pack three points after two weeks of round robin playoff action in the Minden Men's Hockey Association. Kountry Double D, Home Hardware, The Times and Hartwick Construction each have a pair and Sid Stamp Fuels has one point.

The top two teams after the round robin will play off for the league championship.

Home 4, Times 2

After losing to Westside on February 5, Home Hardware rebounded with a 4-2 win over The Times to move into a four-way tie for second place last Monday.

The Times kept pace with Home Hardware throughout the first period, but Home scored two unanswered goals in the second half to earn the win.

Ron May scored twice and assisted on one of the other two Home goals. Ben Manuge added a goal and one assist to the winning tally and Tom Miscio notched one goal. Gary Harrison, Peter Allore and goaltender Terry Crowe each picked up one assist.

Craig Smith and Jeff Black were the Times marksmen, with one goal each. Jim Crawford, Dave Hounsell, Craig Crowe and Jamie Dollo had one assist apiece.

Westside 6, Stamp 6

Westside remains the only undefeated team after two weeks of playoff action tying Sid Stamp Fuels 6-6 on February 12.

Westside held the lead four times, with the Stamp crew coming back each time to even the score. Twice, Westside held a two-goal advantage.

Kim Hamilton led Westside with five of the six goals. He assisted on the sixth, which was scored by Paul Walker. Tom Haley notched three assists, Kent Taylor had a pair and a single went to Andy Campbell.

Jeff Howe scored a hat trick and added a pair of assists to the Stamp side of the scoreboard. Ivan Ingram also picked

Scott Bailey and Mark Thompson notched a goal and one assist each. Bern Berry, Barry Smith and Steve McCracken each picked up one helper.

Hartwick 10, KDD 2

The late game of last Monday night saw Hartwick Construction avenge a loss to The Times a week before by dumping Kountry Double D 10-2.

Hartwick built a 4-0 lead before KDD got on the scoreboard with two in a row. By the end of the first half, Hartwick was in front 6-2. Four unanswered goals in the second half added insult to injury.

Scott Nesbitt paced the Hartwick assault with four goals and one assist. Scott Hamilton notched two goals and three helpers. Dave Dollo netted two and two. Lawrence Lougheed scored one and helped set up three. Greg Hurre had one goal and one assist. A pair of helpers went to Dean Sisson and Eldon Bull, while Kevin Hamilton and Dave Crego had one each.

Sheldon Stevenson and Tran LaRue were the KDD sharpshooters with one apiece. Single assists went to Paul Mayo and Wyatt Nesbitt.

HALIBURTON COUNTY PUBLIC LIBRARY

requires

LIBRARY SUPERVISOR for STANHOPE SERVICE POINT

We REQUIRE one library supervisor for the STANHOPE BRANCH of the Haliburton County Public Library.

This is a part-time, entry-level hourly position. BASIC TASKS involve responsibility for overall operation of the service point in the provision of public library services to library users in the Township of Stanhope. DUTIES INCLUDE accurate maintenance of basic files, record keeping, retrieval and return of materials to shelves, reference work, InterLibrary Loan functions and other duties as may be required. Supervision of the work of others would also be required. Accuracy in all aspects of the work would be essential. SKILLS AND ABILITIES being sought would include graduation from a school of library technology and high school graduation or equivalent experience and training. Successful applicants will have an interest in public libraries, a demonstrated ability to work well with the general public and other staff as well as being able to demonstrate a high level of tact and diplomacy as may be required. The ability to follow established policies and procedures is essential.

Training in system procedures will be provided; the option of participation in EXCEL courses for skills development will be encouraged.

No telephone calls. Applications in writing only will be considered. Please send directly to:

Director, Haliburton County Public Library
P.O. Box 119
Haliburton, Ontario K0M 1S0

to arrive BEFORE 5:00pm on Friday, February 23, 1996.

PUBLIC NOTICE

Minden Crown Unit - Forest Management Plan 1996-2016

Notice of Approval and Public Inspection Period

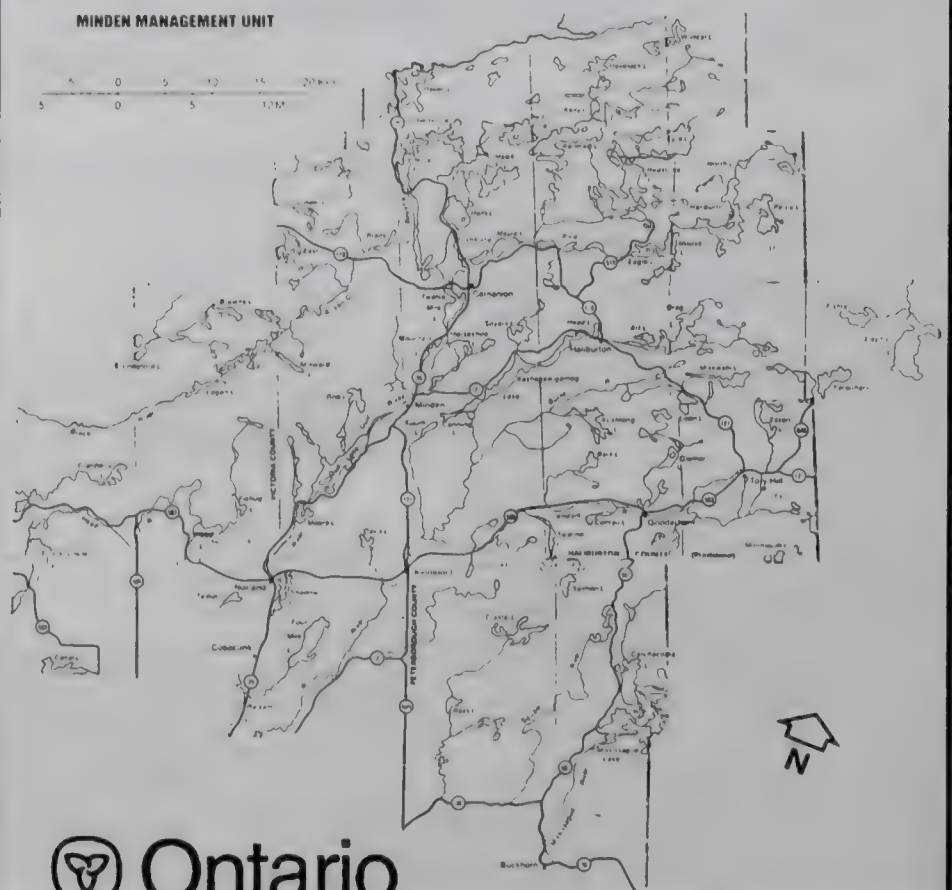

The Ministry of Natural Resources, Minden Area Office of Bancroft District, advises the public that the above noted Forest Management Plan was approved by the Central Region Director on February 15, 1996.

The plan is available for public inspection at the Minden Area Office between February 15 and March 15, 1996 during normal office hours. This is the final opportunity for the public to request a "bump up" of the plan, or any part thereof, to individual treatment under the Environmental Assessment Act.

If no "bump up" request is received during the inspection period, the plan will be automatically approved for implementation. However, the plan will remain available for public inspection at the Minden office, throughout its final year term.

Questions or comments regarding the plan may be directed to Peter Hynard in Minden (705-286-1521). All comments received become a matter of public record, unless privacy is requested.

Canada Day race Lions organizing Soap Box Derby

The Lions Club of Minden and District is planning The Great Minden Soap Box Derby for July 1, the Canada Day holiday.

The Lions Youth Committee is currently putting together the information on car construction qualifications, safety features and race standards. Organizers want to make sure that racers meet the criteria for the Ontario Soap Box Derby if they choose to race at the provincial.

Information packages will be available in the near future.

This will be an event in which the whole family can participate -- from the design and construction of the car, to the actual racing.

Interested families will be able to pick up the information packages at County Bowling Centre, McMahon Feed N' Needs and the Lions Medical Centre.

The course for the race hasn't been set at this time. Organizers will consult with Anson, Hindon and Minden council before the course is set.

Further information will be published in The Times as soon as it becomes available.

Friendly competition the highlight of Minden Seniors Curling Bonspiel

by Dave McAdam

Sunday afternoon, February 11, the curlers from the Minden Seniors Curling Club got together for a day of fun curling and friendly competition. Teams were chosen for two games by luck of the draw method. They all came out fairly close in curling talent and the games proved to be both interesting and enjoyable. The end result of the competition revealed the top team results as follows:

First game

First place - Skip Bill Milford, Vice Merle Codlin, second Billie Shuyler, lead Jean Jackson.

Second place - skip George Hewitt, vice John Thomas, second Jean Hadley, lead Nancy Moore.

Third place - Skip Bill Juby, vice Jean Hewitt, second Roy McDonald, lead Harry Treveld.

Second game

First place - Skip Katie Parker, vice Hugh Hamilton, second Jack Sykes, lead Pat Shonitz.

Second place - Skip Hal Burton, vice Charlie Hadley, second Herb Taylor, lead Todd Grainger.

Third place - Skip Ebbie Bishop, vice Marg Weddell, second Gail Grainger, lead Laura Carnegie.

Cross-Ice Chicken winning teams were:

First draw - Skip Ross Davies, vice Marion Thomas, second Phil Graham, lead Elizabeth Wright.

Second draw - Skip Joan Davies, vice Morris Duff, second Sharon Sykes, lead Vic Orr.

The leads from each of the above teams proved to be the accurate button busters on the cross-ice shooting. As well, something new was added to the award roster - a package of burgers and a sausage went to curlers whose rocks did not find the house, or found their way to the parking lot. These were the teams of Tom Hurta and Molly McCarthy.

Besides the great fellowship, one of the principal reasons for a wonderful day was the result of the work and effort of Todd and Gail Grainger, who organized this fun day and worked hard to assure its success.

Peewee Bs earn 3-2 win over Beaverton

by Kim Emmerson

The Monarch peewee Tri-County team traveled to Beaverton on Saturday, February 10 to face off against Team #1. In previous contests, Minden lost once and was victorious on two occasions.

The game started off poorly for Minden as Beaverton had two goals at the mid mark of the second period and Minden had none. Not to be outdone, David Byrnes scored on a pass from James Bleakley to start the scoring for Minden. This did not happen until the third period. At this point, the game broke wide open.

The two young referees made some judgment errors which resulted in stirring up the Monarchs. Two more goals were not counted but David Byrnes got another one that did count by coming out from

behind the net and firing a shot into the short side. A third goal was scored by Dennis Arbour to put the Monarchs in the lead for a 3-2 win. That was the final tally but not before a skirmish broke out in front of the Beaverton net. Brad Gauley ended up with four minutes in the box along with four minutes going to the Beaverton goalie.

A note for the parents: due to previous game cancellations, make-up games will be held as follows:

The February 3 game will be played against Beaverton #2 at the Woodville tournament on February 17.

The January 27 game against Beaverton #1 will be played on March 2 at 1:30.

Please note that this is the last day of the regular schedule and that we also play Woodville on the same day (March 2) at 7 p.m.

Health Services Restructuring Survey

Introduction

The following questionnaire was designed to gain an understanding of how the Haliburton County community views the health services restructuring in Haliburton County, especially as it pertains to the operation of emergency units (emergency rooms). The survey comes about as a component of a year long project required for the "Health and Illness in the Community" course all medical students take in year II at U of T. Each student has an individual project that examines how health is more than the absence of disease. For example, health depends on our support networks such as family and friends, our working and living environments, and our community. Also our health is determined by the availability of appropriate health care resources, such as hospitals and doctors.

My project is examining the effects on the communities of the closures of rural emergency units in Ontario. I am studying the emergency units in Haliburton County and their restructuring, as a model. The effects of the restructuring of the emergency units within the community shows themselves in health, social and political forms, all of which affect the "wellness of the community".

The questionnaire attempts to examine the views of this community on the role and abilities of the emergency units in Haliburton County. Please note: some of the questions are worded in a way to suggest that one of the county's emergency units may close entirely. This has not been planned. This is just to assess what the community feels would happen if this were to occur. This is in no way linked to future plans of the Ministry of Health, the Acting Health Services Board of Haliburton County or any other governing structure, but will help me to understand the community's perspective better.

If you choose to answer, completed surveys may be dropped off at the Minden Times or the Haliburton County Echo offices. Individual surveys are completely anonymous, yet, the results of the survey may be released in the local newspapers for the community to view.

Thank you for your time and effort looking at the survey.

Sincerely,
Shane Burch

SURVEY

Please mark the most appropriate answer for the following questions.

As a member of the community do you:

- ☐ live in Haliburton County for more than 6 months of the year
- ☐ live in Haliburton County for less than 6 months a year
- ☐ cottage in Haliburton County on weekends for more than 6 months of the year
- ☐ cottage in Haliburton on weekends for less than 6 months of the year

Which hospital do you live closest to?

- ☐ Minden
- ☐ Haliburton

Which hospital do you most frequently use?

- ☐ Minden
- ☐ Haliburton
- ☐ a hospital in Peterborough
- ☐ a hospital in Lindsay
- ☐ a hospital in Toronto

What is your age?

- ☐ 18 - 40
- ☐ 40 - 55
- ☐ 55-70
- ☐ over 70

Opinion on health restructuring in Haliburton County

The following are proposed changes to health services in Haliburton County. In your view, which one, if it occurs, will affect you the most.

- ☐ Upgrading Haliburton Hospital to provide all short term inpatient care services
- ☐ Relocation of the Minden Hospital and/or its emergency unit to the Hyland Crest site.
- ☐ The closure or partial closure of the Minden Hospital Emergency Unit
- ☐ Establishing 30 long term care hospital beds within the county

In your opinion who is primarily responsible for initiating the current proposed changes in health services in Haliburton County?

- ☐ Haliburton, Kawartha and Pine Ridge District Health Council
- ☐ St. Joseph's Hospital in Peterborough
- ☐ The local physicians in Minden and Haliburton
- ☐ The Ministry of Health
- ☐ The Acting Health Services Board of Haliburton County

In your opinion who is responsible for making the proposed changes to health services in Haliburton County happen?

- ☐ Haliburton, Kawartha and Pine Ridge District Health Council
- ☐ St. Joseph's Hospital in Peterborough
- ☐ The local physicians in Minden and Haliburton
- ☐ The Ministry of Health
- ☐ The Acting Health Services Board of Haliburton County

Function and Effectiveness of the Emergency Unit

In your opinion the most valuable service the emergency units in Haliburton County provides to you is:

- ☐ treatment of conditions that require immediate medical attention where delay is harmful to function or life threatening
- ☐ treatment of conditions that require medical attention within a few hours where delay would be harmful
- ☐ treatment of condition that could wait 24 hrs. (colds, sore throats, ear aches, etc.)
- ☐ general accessibility to a physician about any health consideration

In your opinion the emergency units in Haliburton County should provide:

- ☐ treatment of conditions that require immediate medical attention where delay is harmful to function or life threatening
- ☐ treatment of conditions that require immediate medical attention where delay is harmful to function or life threatening plus treatment of conditions that required medical attention within a few hours where delay would be harmful.
- ☐ only treatment of conditions that require medical attention within a few hours where delay would be harmful.
- ☐ general accessibility to a physician to provide treatment of conditions that could wait 24 hrs. (colds, sore throats, ear aches, etc.)

The Minden Emergency Unit is currently operating for a 12 hour period during the day. If you had a heart attack during the day how confident are you that you could access emergency medical attention at a hospital in time:

- ☐ very confident
- ☐ confident
- ☐ not confident
- ☐ not sure

The Minden Emergency Unit is currently operating for a 12 hour period during the day. If you had a heart attack during the night how confident are you that you could access emergency medical attention in a hospital in time:

- ☐ very confident
- ☐ confident
- ☐ not confident
- ☐ not sure

If you had a heart attack, how confident are you that the equipment/facilities (not the physicians) in Haliburton County emergency units would allow the physician to diagnose you:

- ☐ very confident
- ☐ confident
- ☐ not confident
- ☐ not sure

If you had a heart attack, how confident are you that the equipment/facilities in Haliburton County emergency units would allow a physician to stabilize you so that you could be transferred to another hospital:

- ☐ very confident
- ☐ confident
- ☐ not confident
- ☐ not sure

If you had a heart attack, how confident are you that the ambulance/paramedic services in Haliburton County could stabilize you so that you could be transferred a hospital outside of the county:

- ☐ very confident
- ☐ confident
- ☐ not confident
- ☐ not sure

If you had a heart attack how confident are you that the emergency unit and hospital equipment/facilities in Haliburton County would allow the physician to provide complete treatment for you there and then send you home:

- ☐ very confident
- ☐ confident
- ☐ not confident
- ☐ not sure

In your opinion the best way to describe the overall standard of medical attention capable of being provided by physicians at the emergency units in Haliburton County would be?

- ☐ excellent
- ☐ good
- ☐ average
- ☐ poor

If you had a heart attack do you think that you would be:

- ☐ treated in one of the local hospitals and sent home.
- ☐ treated in the Minden or Haliburton Hospital and then transferred to a hospital in Peterborough, Lindsay or Toronto.
- ☐ treated in the Minden Hospital and then transferred to the Haliburton Hospital.
- ☐ transferred immediately by ambulance to a hospital in Peterborough or Lindsay
- ☐ transferred immediately by ambulance to a hospital in Toronto.

Health Services Restructuring Survey

(continued from previous page)

Perceived effects of closure

In your opinion should one of the emergency units close, which age group is going to be the most affected in the community?

- ☐ over 70
- ☐ 55-70 yrs.
- ☐ 18-55
- ☐ 0-18 yrs.
- ☐ everyone will be affected equally

The following questions relate to a situation in which one of the emergency units in Haliburton County completely closes. Then, in your opinion, should you suffer a heart attack, how confident would you be about accessing emergency medical attention at a hospital in time:

- ☐ very confident
- ☐ confident
- ☐ not confident
- ☐ not sure

In your opinion how would the number of people retiring in Haliburton County be affected by the closure of the Minden Emergency Unit?

- ☐ considerably in both Minden and Haliburton
- ☐ partially in Minden and Haliburton
- ☐ no effect in Minden or Haliburton
- ☐ considerably in the Minden area and partially in Haliburton
- ☐ partially in the Minden area

In your opinion how would the economy/business in Haliburton County be affected by the closure of the Minden Emergency Unit?

- ☐ considerably in both Minden and Haliburton
- ☐ partially in Minden and Haliburton
- ☐ no effect in Minden or Haliburton
- ☐ considerably in the Minden area and partially in Haliburton
- ☐ partially in the Minden area

In your opinion how would tourism be affected in Haliburton County by the closure of the Minden Emergency Unit?

- ☐ considerably in both Minden and Haliburton
- ☐ somewhat in Minden and Haliburton
- ☐ no effect in Minden or Haliburton
- ☐ considerably in the Minden area
- ☐ somewhat in the Minden area

Please use the space below (or attach a separate sheet) with your comments, queries and concerns. Again thank you for participating in this survey. Return this form to the offices of either The Times, 134 Main Street, Minden or the Haliburton County Echo, York Street, Haliburton; or mail to Box 97, Minden, Ontario, K0M 2K0.

Minden's County Bowling Centre to host Bowl For Millions event

County Bowling Centre will be hosting the Bowl For Millions tournament on February 24 from 4 to 7 p.m. The event is sponsored by Big Brothers and Big Sisters. It is a fund-raiser for these organizations and helps to match boys and girls with a big brother or big sister.

The tournament is open to anyone who wishes to get pledges. Pledge sheets are available at the bowling centre.

Anyone wishing to make a pledge may do so by contacting the County Bowling Centre or any of the participating bowlers.

If you wish to challenge another business, service club, team or even a friend, do so quickly and notify the bowling centre for your time to bowl.

Prizes will be given out every 15 minutes as well as prizes for the highest amount in pledges for boys, girls, men and women.

Come out and enjoy the fun while we raise funds for a worthy cause.

If you know someone who needs a big brother or big sister or someone who is interested in becoming a big brother or sister, contact Dianne Austin at 454-2281.

Tuesday Night Mixed League

Ross Memorial Hospital invites submissions from individuals interested in being elected to the hospital's Board of Governors or in being appointed to a Committee thereof. Elections for appointment to the Board will take place at the Annual Meeting of the Hospital Corporation (June 1996). Criteria for appointment to the Board includes residency in Victoria County or Brock Township. Certain other By-Law requirements must be met.

Individuals interested in this voluntary service role are invited to submit an outline of their background and interests by March 4th, 1996 or request further information by contacting:

The Nominating Committee
Board of Governors
Ross Memorial Hospital
10 Angeline Street North
Lindsay, Ontario K9V 4M8

NOTE: Candidates may also be nominated for election by members of the Corporation. Certain By-Law requirements apply.

Kidd Kountry a hit at 636

Bonjour!!

We almost have February beaten!!

I think most people are fed up with this sub-zero weather we have endured since last November. However, my friend Roy Colliss reports from Naples, Florida, frost on the windshield February 5. They also had to have their furnace on as well as covering their flowers. And he pays big bucks for this winter luxury??

Happy (belated) Valentine's Day. On February 9, our branch held our party listening and dancing to the sounds of Kidd Kountry. This group can sure put on a show and a full house enjoyed their music very much. To top it off, a hot buffet was deliciously served by Dorothy Ash and her competent crew.

We are so happy with Kidd Kountry that we are having them back for a unique St. Patrick's Day "Matinee" on the 17th of Ireland. This day falls on a Sunday so we intend to have a great afternoon with a few added treats such as 'Leprechaun Juice' rolls and other surprises. We will be treated to the sweet voice of "Zoe" and Gord Kidd's excellent live entertainment. At approximately 6 p.m. another hot buffet will be served by Ash & Co. Only 60 tickets to be sold. You can pick them up at the branch bar - \$7.50 per person, times 2 to approx. 8 p.m. Be sure to wear something green and get your tickets early.

Future plans include a Karaoke Fun night and a Big Turkey & Ham Roll for Easter. More on these later.

We are proud to include the following note from our president:

During the weekend of January 27-28, Minden Branch played host to District F Council for their spring meeting. Approximately 30 members attended with the branch serving dinner on Saturday night and breakfast on Sunday morning, prior to the general meeting. The District Commander expressed sincere appreciation for the excellent hospitality.

A footnote: Everyone had a great time and lots of comments were passed on to us of how nice our Legion is and how our friendliness made all the participating members feel right at home.

Profile

I am happy to profile one of our colourful members - Cliff Green.

Cliff was born in Lindsay, Ontario July 26, 1921

where he received his public and high school education. When W.W.II broke out, Cliff served in our army for four years. On his return from overseas, he served in the reserve army for 22 years. I also understand Cliff's brothers were in the army as well, which makes for quite a military family.

Cliff's other career was with the CNR for 41 years, working the Lindsay-Peterborough run.

In 1962 he purchased a cottage on Bob Lake and in 1971 he married his sweetheart Muriel who is his boss now. Cliff's hobbies include curling, bowling, gardening and of course, model railroading. He has been Branch 636's treasurer since 1988. Cliff is famous at our executive general meetings for this welcome statement: "I move that we now adjourn this meeting!" Thanks, Cliff.

Memories

I was looking at some old invoices from my Dad's store recently and thought you might be interested in some prices from 44 years ago:

Javex, qt. 16¢; bread 19¢; red sockeye salmon 48¢ tin; ketchup 27¢ ea.; Carnation milk 13¢ tin; Spic & Span 30¢ ctn.; bologna, 3 lbs \$1.00; bacon 2 lbs 55¢; spareribs 4 lbs 95¢; corn flakes 27¢ ctn.

That's a far as I read - things have changed a little bit.

Insignifica you should know -

Number of gallons of toothpaste bought by North Americans each year - 14 million (less than one half pint per person).

Number of miles of dental floss - 5,900 (or less than 12 inches per person).

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-5/95

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owners a portion of the original allowance for road set out and described as follows:

FIRSTLY: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Gull Lake, lying in front of Part of Lot 22, Concession 8, and being more particularly described as Part 8 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6171.

THE PROPOSED BY-LAW will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35 on the 22nd day of February, 1996, at the hour of 7:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

DATED at the Township of Lutterworth this 18th day of January, 1996.

Mary Jane Irwin, A.M.C.T.,
Clerk-Treasurer,
Township of Lutterworth,
P.O. Box 850,
Minden, Ontario K0M 2K0

Out of country medical expenses are claimable

Snowbirds who spend extended periods outside of Canada can claim their medical insurance cost when filing their 1995 tax return. Premiums for private insurance are a deductible medical expense, as are medical costs not covered by insurance during your time outside Canada. The deduction appears on line 330 of the T1 General Tax Return.

You may only claim expenses above 3% of your net income or \$1,614.00 whichever is less. You may choose a 12 month period, including part of the previous year, when your expenses were greatest. Also the spouse with the lower income may claim the deduction.

Premiums for travel health insurance could be

claimed every second year to maximize the medical tax credit. Just time your purchases less than 365 days apart.

Have you a question that needs answering? Do you require support or assistance in accessing services? We can help, contact your Haliburton County Information Centre Inc. In Haliburton, the centre is located on Maple Avenue in the Drag River Building, phone (705) 457-2733 Monday to Friday 10 a.m. to 12 noon and 1 to 4 p.m. In Minden, Mondays only, the centre is located in the Court House Building adjacent to the Anson, Hindon and Minden Municipal office. Phone (705) 286-4100 - Mondays only 10 a.m. to 12 noon and 1 to 4 p.m.

THE CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

will receive proposals for

LANDFILL ATTENDANT SERVICES

at their

SCOTCH LINE AND INGOLDSBY LANDFILL SITES.

An outline of responsibilities and tender forms may be obtained at the Municipal Office during regular business hours.

Proposals should be submitted in a sealed envelope to the attention of the undersigned, clearly marked "Landfill Services", no later than Friday, March 15, 1996 at 12:00 noon.

LOWEST OR ANY PROPOSAL NOT NECESSARILY ACCEPTED.

Clayton Cameron, Public Works Superintendent
TOWNSHIPS OF ANSON, HINDON AND MINDEN,
Box 359, 7 Milne Street,
Minden, Ontario K0M 2K0

Around the County Town

by Gord Graham (call 286-6506)

You've heard of the 3 ages of man? Youth, middle age & "you're looking wonderful"

Legion 636 euchre prizes for Thursday February 8 were: most lone hands-May Bradbury & Truman McNeil. High score - Judith Merritt & Tod Edgson with low going to Jean Scadden & Ralph Schroter. More prizes went out to Gala Stamp and Lila Mitchell. Congratulations all!

St. Paul's Friendship Club euchre awards from last Monday went out to Katie Parker with most lone hands. Highs were won by Betty Hardy & Nancy Gayton while Gladys Wruth fought hard for the low hand award. The 50-50 draw went to Hazel Austin. (I wonder if they will ever disclose amounts?) Attendance was 90% and they were so glad they came because Nancy Gayton brought a lovely decorated, heart shaped cake. Come, meet and play at 1:30 Mondays.

Also on Mondays, but at 7:30 p.m., Club 35 meets. Euchre scores from last week went to Barb Robitaille with most lone hands. Barb also won the 50-50 draw (that's 2 weeks in a row). Obviously Barb's on a roll. Highs were Judy Girling and Ken Wallace. A lot of fun goes on here and everyone is welcome - no partners needed. By the way, their next "wheels to meals" dinner is on February 27 at noon.

Over heard on radio station, 590-The Fan, (one of Toronto's major stations), "if you folks ever go to the little town of

Minden in Haliburton, don't miss the raisin pie there". Apparently this announcer raved on for 5 minutes about the restaurant's raisin pie. Even claiming it was better than Mom's !! Makes you feel warm all over doesn't it?

Contract bridge winners at Stanhope library from last Tuesday at 1 p.m. were Ray Brown, Morris Hansen & Earl Hayne in that order. Everyone is always welcome.

Look out! MapleFest is coming March 30 to April 8. Invite your friends and family to come on up. Watch out too for "Molly Maple".

We welcome our bowling friends to this column. Blacktower results from Carnarvon Lanes played Wednesday February 7 had first place team winning by +336. Congratulations to George Hamilton, Feira Nitsos, Ross Henderson, George Minors, June Munns and Maria Tschida. Second place team, with a score of +316, were Maria Thompson, Jean Stead, Bill Trapp, Jackie Chamberlain and Doug Burtch. Overall, the high single flat score went to Murray Thompson with 301. On Thursday February 8, first place team was Georgina Parkes, Helen Skelding, Bill Kelly, Fred Knight and Lorna Burtch. Second place: Bernice Gillies, Margaret Schepers, Maria Thompson, Bill Stead and Bob Webb. The high single flat score for this day was Ken Thompson with 319. Nice going Murray and Ken!

The Musuem committee meeting for

is Tuesday, February 20 at 10 a.m. in the common room of the Art Gallery. Hope all members can make it.

February 23 is World Understanding and Peace Day.

This cold weather persists, so it is good to know that a measure of kindness is going out to the homeless. Bill Obee tells me that used sleeping bags (no longer needed) are being given c/o the Toronto Firehalls or Police Stations. Bill himself donated 4.

The Alzheimer Society of Peterborough and Area are holding their general meeting on Wednesday February 21 at 7:30 p.m. at the Marycrest Home for the Aged, 200 St. Luke's Ave., Peterborough. Topic: "New Approach to Understanding Alzheimer Disease". No charge to interested parties. Refreshments follow.

They also have support group meetings. The next one is to be held on Wednesday February 28 at Murray St. Baptist Church, 175 Murray St., Peterborough. Open to family and friends of Alzheimer patients. Questions? Call Donna MacIntosh 705-748-5131.

Even though it will be all behind us (metaphorically speaking) when this article goes to print, a very large tip of the hat to the ladies of "Women On Snow".

At the Gelert Community Centre on Tuesday February 13, Al Cooper won the lone hand in euchre; Earl Schellenberg and Betty Hicks the high; Gerald Hicks

and Bessie Burk the low. Everyone welcome at 7:30 p.m. Next games are on February 27, (February 20 in Lochlin).

A woman driver is one who drives like a man and gets blamed for it.

Bid euchre at Stanhope Firehall Wednesday February 14 produced some Valentine winners. Moonshots to Harry Stuart and Rick Edwards plus highs to Carol Duncan, Olive Jones, Katie Parker (women's division), Rick Edwards, Marion McClelland and Alvin Cowan in men's division. All welcome Wednesdays at 7:30 pm.

Noble Motel euchre produced 3 top winners last Wednesday night: Nancy Drew-high, Ken Francis second high and Audrey Parker- most lone hands. Everyone welcome Wednesdays at 7:30 pm.

Haliburton County Counselling Centre is now open to receive new referrals. New counselling staff welcomes you. 457-5353 for info.

If you have a human interest story you would like published, call this writer. Don't be shy.

Florence Robinson of Minden was most pleased when her son, Bradley, came to visit her February 10. Florence looks forward to these visits.

Sincere sympathy to the families and friends of Mary Smith of Hyland Crest and Leonard Little who passed away recently.

Let's get people working again!

The Times is once again offering **FREE WORK WANTED** classified ads starting with the February 19 edition and continuing until March 25. Individuals are invited to use the **FREE WORK WANTED** column to tell potential employers in the community about the talents, skills and abilities they have to offer. Your message will continue until the program is finished (March 25 edition) or until you tell us to cancel it. All we ask is that you limit your classified ads to 30 words or less. Submit your **FREE WORK WANTED** classified ads in person at The Times office, 134 Main Street Minden, (there is a mail slot in the door for after hours); by mail to Box 97 Minden, Ontario, K0M 2K0; by fax to 705-286-4768; or by email to mindentimes@halinet.on.ca. Please note we are unable to accept **FREE WORK WANTED** classified ads by phone.

STUDENTS

Special **FREE SUMMER WORK WANTED** columns will appear March 11, 18 and 25. Use these columns to let potential employers know you are available for work this summer, stating your skills and area of interest. HHSS students can submit their **FREE SUMMER WORK WANTED** classified ads at the High School Guidance Office until March 6. **FREE SUMMER WORK WANTED** classified ads will also be accepted as per the instructions in the section above. Please limit your ad to 30 words or less.

Please ensure your Work Wanted Classified Ad includes a phone number or some other method for potential employers to contact you.

HAPPY 50TH BIRTHDAY

Once upon a time
He was young and so slim,
But now he's older
We call him Jumbo Jim,
He's kind and generous
And we love him without fail
But he'll lose more than his
hair
If he keeps calling me a whale!
Best wishes,
Love W.W. & your fan club.

Kernohan Construction, Spot 97, IDA Drug Store, Subway, Perfect Prints, Dominion Hotel, Godfather Pizza, Cox's Apparel, Labatt's, Bacardi, Pepsi, Ontario Hydro Union, Jeff's Mobile, Headlines Hairstyling, Kernohan Septic, John Francis Fuels, Roodenburg Real Estate, Keaney Chrysler, Dollo's IGA, Paul Mayo Construction, Mr. D's Restaurant, Kawartha Dairy, Ridgewood Ford, Prentice Berry Limited, MNR (Bob Pollard), Pinestone Resort, Marie and John Lennard, Carla and Keith Fountain, Howard Scott Plumbing, Dave Shapiera Law Office. Everyone had an enjoyable time and we would like to thank the first time curlers....hope to see you back again!

CARDS OF THANKS

The family of the late Mary Feldmar wish to thank all our friends for their prayers, phone calls, support and help in so many ways during Mary's illness. I would like to express my gratitude to Dr. Conway, Dr. Heyes, Dr. Stephenson, Dr. Ferracuti and all the nurses who cared for Mary at the Haliburton Hospital. V.O.N. nurse Anne MacNaull and Homemaker Molly Bradamore and members of the S.I.R.C.H. Hospice Program, Hanna and Marvella. The ladies of the Haliburton Legion Auxiliary, Branch 129, for a lovely luncheon and Rev. Maurice Bradley. A special thanks to a great friend, Heide Backes from Germany, the Haliburton Community Funeral Home. Your thoughtfulness and regard for Mary will always be remembered.

Sincerely,
Len Foster and family.

AT REST

SMITH,
Mary Elizabeth

At the Hyland Crest Senior Citizens Home, Minden, Ontario on Sunday, February 11, 1996. Beloved wife of the late Alvin Smith. Dear sister of Howard McClymont of Burlington and Ross McClymont of Barrie, predeceased by her brothers Norman, Bruce and by her sister Edith. Past Worthy Matron of the Newmarket Chapter of the Eastern Star and Grand Secretary for many years. At Mary's request, no visitation or funeral service will be held. Cremation. A Private Family Graveside Service will be held at the Newmarket Union Cemetery in the spring. Memorial donations to the Hyland Crest Residents' Fund would be appreciated by the family. Arrangements entrusted to the Gordon A. Monk Funeral Home, 127 Main Street, Minden, Ontario K0M 2K0 (1-705-286-2181).

AT REST

ALLPORT,
Muriel Rose,

Peacefully at Hyland Crest Senior Citizen's Home on Thursday February 15, 1996. She is survived by her two brothers, W.D. Allport of Toronto and Edward of Peterborough. Nieces and nephews will mourn her passing as well as her many friends in Eagle Lake where she lived for many years. In Haliburton, Harold and Peggy Fawns and in Minden, Ken and Marg Fielding and family will miss her very much. At Muriel's request, cremation will be followed by a Remembrance Service at the Eagle Lake Community Church at a later date. Memorial donations may be made to the Haliburton Hospital Auxiliary or the Canadian Cancer Society.

AT REST

LITTLE,
Leonard (Lenny)

Peacefully at Whitby General Hospital on Wednesday, February 14, 1996 in his 55th year. Dear son of Eva and the late Donald Little of Haliburton and brother of Muriel Peters of Haliburton. Dear uncle of Sharon and her husband Wayne and their children April and Amanda, all of Haliburton.

Mr. Little rested at the Gordon A. Monk Funeral Home, 127 Main Street, Minden from 2-4 and 7-9 p.m. Friday. Funeral Service was held in the Chapel on Saturday, February 17, 1996 at 2 p.m. Interment Evergreen Cemetery, Haliburton. Memorial Donations to the Charity of your choice would be appreciated.
